- Antonio Krulas
- The diverse thought leadership from the organizations and excellent questions from the attendees led to an elevated discussion that should generate positive change. Kyle Goehring, JLL
- Although due to schedule difficulties I was only able to attend a brief glimpse of the event, I was very impressed with level of the discussion and its focus on practical applications.
- Every AEG quarterly event challenges me to think through critical issues with a different perspective - the diversity of thought and leadership is refreshing and encouraging! - Alex Seydel
- These forums are powerful reminders that meaningful change can be conceived and brought to fruition through the combined expertise of dedicated people. -Matthew Haak
- I continue to be impressed with

the quality of these meetings, the masterful use of technology, the quality of the speakers and the ideas they share. This platform for capturing and focusing the attention of sharp minds on vexing issues is brilliant, effective and necessary.

- I've never participated in something that brought such a diverse group of stakeholders to focus on one problem with a short-term tangible solution. - Phil Nevels
