Any suggestions?

- Maybe send some background information such as the ComEd 2360 plan so we could have reviewed that first.
- No

What guidance do you have for the Task Force to achieve its first 90 day milestone: "M1: Identify trusted community organizations and potential business partners."

- Elevate the cooperation with ComEd to the Executive Leadership level for comment and support. .
- Translating programs out of comed speak and into language that can be understood by all is important
- Make sure the goal is equitable access to clean energy and resiliency.
