Any suggestions?

- - 4.5 hours is too long - Provide agenda ahead of time so new participants know when content is starting. - too many context-setting speakers - too long being talked at - have a few short breaks and/or I've breakers.

What guidance do you have for the Task Force to achieve its first 90 day milestone: "M1: Identify trusted community organizations and potential business partners."

- Ensure clear agendas, decision-making, and RACIs
- Think big & outside the box! Tap partners who might not seem conventional for this work but need to be in the conversation
