

22Q4 CLEAN TRANSPORTATION TASK FORCE SUMMARY

December 15th | Holland & Knight
22Q4 Stakeholder Challenge
Clean Transportation

SELECTED OBSTACLE

“ Target planning and coordination for upgrades, focusing on capacity constrained regions and Environmental Justice Communities, in preparation for and supported by Federal funding.

- HEATHER TAKLE
PRESIDENT & CEO

22Q4
Clean
Transportation
Task Force

22Q4 CLEAN TRANSPORTATION

12 MONTH SOLUTION:

Identify target areas by considering overlap of A. Federal funding availability, B. Grid constraints C. Fleet customer propensity to electrify

M1: Overlay GIS map of A, B & C

M2: Survey/Convene customers

M3: Align on high-priority location to design approach that solves for climate, livability and justice (Boston Green New Deal)

- TABLE # 5

22Q4 TASK FORCE UPDATES

Identify overlap in:

- Environmental Justice Communities
- Grid Capacity
- Federal Funding
- Fleet customers
