

AEG BOSTON & MASS EV 20Q4 STAKEHOLDER CHALLENGE

1. BREAKOUT ROOM INSTRUCTIONS:

Come up with a 12 month solution with three quarterly milestones to the winning obstacle statement (below).

You have been assigned a breakout room. If you have difficulty entering, please return to the main meeting page and we will assist you.

DEADLINE: 11:15am

WINNING OBSTACLE STATEMENT:

“Regarding the electrification of fleets, to achieve clean energy goals, the most critical obstacle to overcome is: The lack of a standardized, collaborative electrification planning process between fleets and utilities to provide an actionable framework for success that minimizes complexity.”

- Rachel Flynn-Kasuba, National Grid

INSTRUCTIONS:

1. First, pick a spokesperson to present your solution when finished.
2. Second, enter your proposed solution in the question section of Slido. Enter your solution in this format (**example**): (250 Character limit)
 - **12 months Stage a Heat Pump Deployment Festival M1: Sent out 1,000 invitations. M2: Confirm steering committee M3: Identify and confirm partners.**
3. If you win, determine whether someone is willing to be **Taskforce Chair/Co-chair**.
