Please leave us a testimonial and include your name.

(1/5)

- This was well worth the time spent; met some incredible people and the information sharing was first rate, invite me again! Barry Carr
- I very much enjoyed the conference today. It was very knowledgeable, and I believe it will be very useful going forward with future projects. Chad Mutter Luck Grove Construction
- I had a great time at the AEG event. It was very interactive and set up in a way that promoted networking and working together.
- AEG's work is a great platform to break the gap between problems and solutions, bringing great team-players together to play the energy, equity and resilience game challenge! "Roberto Muñiz"
- I enjoyed the format and framed discussion. You encouraged action-based outcomes. The task

forces will be valuable to electric vehicle transition. Wendy Lucht, Energetics

- The event was directed toward action in a way that most conference like events are not. Elliot Ward
- Great people, intuitive goals, expert opinions, and
- It was great to connect with stakeholders in small groups. Good mix of interaction and presentations.

- H. G. is an excellent moderator and facilitator. This was one of the most engaging workshops / conferences I have attended.
- Such an amazing learning experience. As a student at Syracuse University interested in clean transportation, being able to learn from, and network

with leaders of the industry is something extremely valuable and an experience I'll carry with me into the future. -Colby O'Hanley

- An exciting way to engage with peers and colleagues to work on problem-solving.
- It's wonderful to see that a diverse group of stakeholders understood the challenges and are working

the solutions. That many face the same challenges and seek collaboration is encouraging -Zach Miller

- Very interactive and informative. Quite the assembly of industry experts! - Jim Norris (Voltera Power)
- I appreciated having so many voices at one table. It was great to get diverse perspectives, and I'm excited to see the task forces succeed! - Elijah Sinclair

(4/5)

- The process is engaging and offers really implementable solutions.
- Such a different conference experience! H.G. and his team provided a facilitated experience with a laser focus on getting the diverse experts in the room to agree to targeted next steps to make transformations on wicked problems we face. — Shannon Dulaney
- An engaging conference that kept me on my toes. I loved the creation of action today with the task forces. Great for someone starting out in an energy storage industry trade associate out of college. - Richard Sturtevant NY-BEST
- A great format with great attendees and supporting staff. Everyone is really committed to doing what

they can do individually and as part of a team to drive equity, sustainability and innovation.

- Great facilitation and pragmatic approach to solving a narrowly defined problem
- This event made me think deeper of integrating stakeholders in strategizing. - Manushi Desai, Energy and Sustainability Lawyer @Mintz Levin
- Nadia Duplessis The format of the event is engaging and allows

for everyone to truly learn from the topic at hand.

- Great collaborative opportunity to come together to solve problems and learn from each other.

Any suggestions? (1/2)

- More real world examples of what works, and what doesn't work!
 - Could add a professional photographer. Maybe a bit more networking time during the day for people who showed up late. If you came at 1pm or later you had 5 minutes of break time to possibly socialize before the event ends. Some people may not be able to stay until 5pm
 - Do not quit!!
 - Please have more
- networking breaks during the day - you assign seats so it is hard to network with people leaving early
 - Some more mixing between tables from morning to afternoon could add variety to the table level engagements and networking
 - Have groups (Con Ed, National Grid, etc) introduce themselves at the beginning so we know what perspectives are in the room.
 - Make it 1/2 day
 - I think there could have been

Any suggestions? (2/2)

- more mixing between the tables.
- N/A
- It may be helpful to have people swap tables throughout the day
- Invite artists and more community members to the event.
- Try to engage more lawyers in the presentations too
- More short breaks in between sessions
