

# 22Q4 CLEAN TRANSPORTATION TASK FORCE SUMMARY

## SELECTED OBSTACLE

Lack of collaboration on grid/operational needs and vehicle specifications within the MDHD fleet community.

- BRENT TAYLOR

ASSISTANT COMMISSIONER, CITYWIDE FLEET  
OPERATIONS, SUSTAINABILITY  
INFRASTRUCTURE, EMERGENCY MANAGEMENT

## 22Q4 CLEAN TRANSPORTATION

12 MONTH SOLUTION:

**A fleet studies template that includes a EV2Grid gap analysis to inform efficient infrastructure build-out that includes key stakeholders.**

**M1:** Stakeholder identification and engagement

**M2:** Draft fleet assessment

**M3:** Final template with stakeholder approval

# 22Q4 TASK FORCE UPDATES

## UPDATES:

Initiated outreach to 5 municipalities: Yonkers, Syracuse, Buffalo, Albany, Westchester.

Developed a strategy for cohort engagement

## NEXT STEPS:

Work with Fabio Mantovani(VP NYPA Venture) to get traction on next steps

Create assessment survey for MDHD operators to understand motives/readiness/fleet size

Conduct Virtual Town Hall

Cohort participants to attend the next quarterly Task Force Update
