Post Event Survey (1/5)

005

How likely are you to recommend AEG events? (5 = very likely)

Score: 5.0

Post Event Survey (2/5)

005

In one word, how would you describe your experience?

Learning Engaging
Stimulating and inspiring
Insightful Excellent

Post Event Survey (3/5)

005

Please leave us a testimonial and include your name.

(1/2)

- I don't think it would be possible for student looking to enter the industry like me to learn more in 2 days than I did at the 2024 AEG decarb summit. Heatpumpification!
- This was an absolutely phenomenal experience. It was not only educational, but inspirational as well. The breakout challenge was incredibly productive
- for such a small period of time. My name is Roberto Battistoni, thank you so much for this wonderful event.
- Great meeting - thank you
- AEG puts you to work, but in a good way. They assemble knowledgeable, engaged, diverse stakeholders and chart productive ways ahead.
- AEG puts on a very engaging event

Post Event Survey (3/5)

to promotes thoughtful
conversation and interesting
perspectives.

Any suggestions?

- Perhaps more time should be given to the breakout challenges.
- No
- None

What guidance do you have for the Task Force to achieve its first 90 day milestone.

- Constant communication between task force members. They should have a group text, email, and cloud file sharing. They should break that 90 day milestone into multiple smaller goals with smaller deadlines for them.
- Nothing yet
- Collaborate often wn

What may be a potential barrier(s) to adoption of residential CCHPs?

- Workforce experience.

Con Edison NYBD Survey (1/6)

002

What factors influence your decision-making process when it comes to implementing energy efficiency measures in buildings?

- Price, constraints
- Cost and future proof

Con Edison NYBD Survey (2/6)

002

What types of resources or support would be most helpful for you in implementing energy efficiency measures in buildings?

- Education
- Finacial

Con Edison NYBD Survey (3/6)

002

Are there any specific technologies or strategies you are interested in learning more about in relation to energy efficiency and decarbonization?

- All in one
- Heat pumps

Con Edison NYBD Survey (4/6)

002

Are you currently using any energy efficiency programs or services in your buildings? If so, which ones?

- Mfeep
- No

Con Edison NYBD Survey (5/6)

002

Are you interested in speaking with someone at Con Edison about financial incentives for decarbonization projects?

Yes

0 %

No
