- As my first AEG meeting it was a great experience. We had all the most important stakeholders in the room and talked about real, impactful solutions. I also liked that the meeting focuses on a specific location. Made some great connections too. - Dean Weng, Kevala, Inc.
- This was my first AEG event and I cannot express enough how empowering and exciting the experience has been. HG's ability to create an environment to share and exchange ideas and work collaboratively to peers who are trying to solve similar problems. Kristen Roffi at Voltus

solve relevant problems in an engaging manner.

- AEG consistently provides the chance to discuss critical issues with an amazing crosse-section of energy leaders. The quality of the thought process coupled with HG (and team) excellent facilitation gives me hope that we can tackle and solve our climate crisis
- AEG brings together critical stakeholders to deliver solutions to

important energy issues of our time.

Any suggestions?

- Start later? 8 am a little early.
- Look for carbon neutral / negative tea! 😊
- Keep on keeping on!
- The early portion (breakfast and arrival) seemed disorganized. Need mics during discussion portions so everyone can hear.
