Please leave us a testimonial and include your name.

- Thank you!
- I appreciated the workshop allowing us to look at issues from different perspectives.
- This is the most powerful way to make progress against climate change.
- William Serratore Meeting, networking and learning from a dynamic group of industry and municipal leaders
- Good speakers, good challenge, good engagement format.
- Great experience meeting like-minded professionals, all driven to tackle a shared goal. The intersectionality of the participants is extremely helpful.

Any suggestions?

- Notebooks and pens for active listening
- Add longer sessions to allow for multiple challenges
- Ensure building access protocols are in place day of event for participants.
- It would have been great to have more information prior to the event about the challenges that were presented.
