What is the most important issue to discuss today?

032

Regarding Grid Modernization, to achieve DC/DMV climate, health & equity goals, a critical obstacle to collectively overcome in 12 months is _____.

0 3 8

"The development of a model for a collaborative, integrated, grid modernization planning initiative." - Bill Eger, Arlington VA

"Ensuring cybersecurity competency at every stage and level to ensure integrated systems have a minimal combined attack surface, are closely monitored, and quickly recoverable." - Emily Cillessen, S&C Electric Company

"Generating ongoing buy-in & support from a diverse group of stakeholders with the intent of keeping these industries involved in the decision-making process & on board with the vision & mission of the project until completion." - Apera Nwora, DC Water

**Are you willing to join the DMV 23Q3 Task Force?

In one word, how would you describe your experience?

Post Event Survey (3/5)

008

Please leave us a testimonial and include your name.

(1/2)

- Once again, AEG serves as a clearinghouse for ideas, innovation and leadership at the intersection of energy, water and equity. ~ Aaron Miller
- Very enlightening on highlighting the need for a process in developing a grid modernization programme. - Millar White/British Embassy Washington
- Engaging, thought provoking, and very strategic!
- The mind share and insights into other areas, challenges, obstacles, needs, and results from other industries all aiming to support the modernization of the grid is wonderful Scott MacLean
- Learnt a lot about trends in grid modernization. Duncan Mukira
- Great networking and thought leadership with top of industry participants. Worth the time spent.
- Well done in coordinating a

What guidance do you have for the Task Force to achieve its first 90 day milestone: "M1: Identify trusted community organizations and potential business partners."

- Connect with the surrounding communities ASAP
- Cast the net widely to bring in all relevant stakeholders.
- Meet frequently
- Have weekly meetings
- Establish a playbook for all stakeholders and supporters, consistent check ins, metrics, and timeline.
