

Advanced Energy Group – Washington D.C.

ITAI DADON | GLOBAL HEAD OF SMART CITIES & IOT, ITRON

X4 Natural Disasters since 70s to ~400/Year
Larger and faster impacts on our cities – making resiliency harder

Disruptions Happen *Fast*

Cities have hard time reacting fast enough in the era of social media

What Makes a City Agile?

INFRASTRUCTURE

DATA

INSIGHTS

Where Resiliency Meets Sustainability

An Agile and Decentralized Infrastructure around

COMMUNICATION

ENERGY

TRANSPORTATION

*To deliver clean, resilient and equitable cities by 2050,
we must first solve:*

**DC LACKS INFRASTRUCTURE TO GATHER THE
RIGHT DATA TO GENERATE REAL-TIME INSIGHTS**

Thank You
