

Energy Landscape thru Owner's Lenses

Eng. Mariette Sánchez, PE

Chief Engineer – Strategic Consultant

What do Owners SAY?

“I have a business to run and the cost, the quality and lack of electricity is one of our biggest disruptor.”

“In our sustainability plan we want to reduce our carbon footprint.”

“I want to have better control on our energy cost”

What do Owners SEE?

NUEVO PLAN DE AJUSTE PARA LA AEE

“Inevitable” el cargo adicional en la factura de la luz

La Junta de Supervisión Fiscal propone un recorte más severo a los bonistas y un “cargo híbrido” que aplicaría a residencias, comercios e industrias por los próximos 30 años
