Testimonial? (pls include your name)

- This meeting brought a room full of brilliant and influential people to life with such a rich dialogue that created momentum forward.
- I enjoyed meeting people with different backgrounds and similar passion for reducing GHGs, and tackling a problem together. Sila Kiliccote
- Leslie Alden The AEG process is innovative, collaborative, and holds participants to accountability in delivering solutions. It is an extraordinary approach to proposing climate solutions with expertise and creativity. Highly recommend HG Chissell and AEG.
- The table collaboration was very rich - really smart, open-minded, collaborative people! Jonathan Kevles
- Maryline: Great creative process.
- Peter Klauer
- Janelle London I think the breathing and dancing exercise has sparked some creativity that I otherwise would not have had.

Any suggestions?

- Wouldn't change a thing
- Not at this time.
- Continue to expand the participants
- Longer introductions so we can each benefit more from the networking opportunity that this get-together provides.
- Remind attendees that it is Important to be on time :)
- Liked the pre-team collaboration exercise
