As we electrify transportation, what does this mean for LMI Communities?

In Massachusetts, Eversource has invested 18% of charging infrastructure in Environmental Justice Communities (EJCs), far above the DPU 10% target.

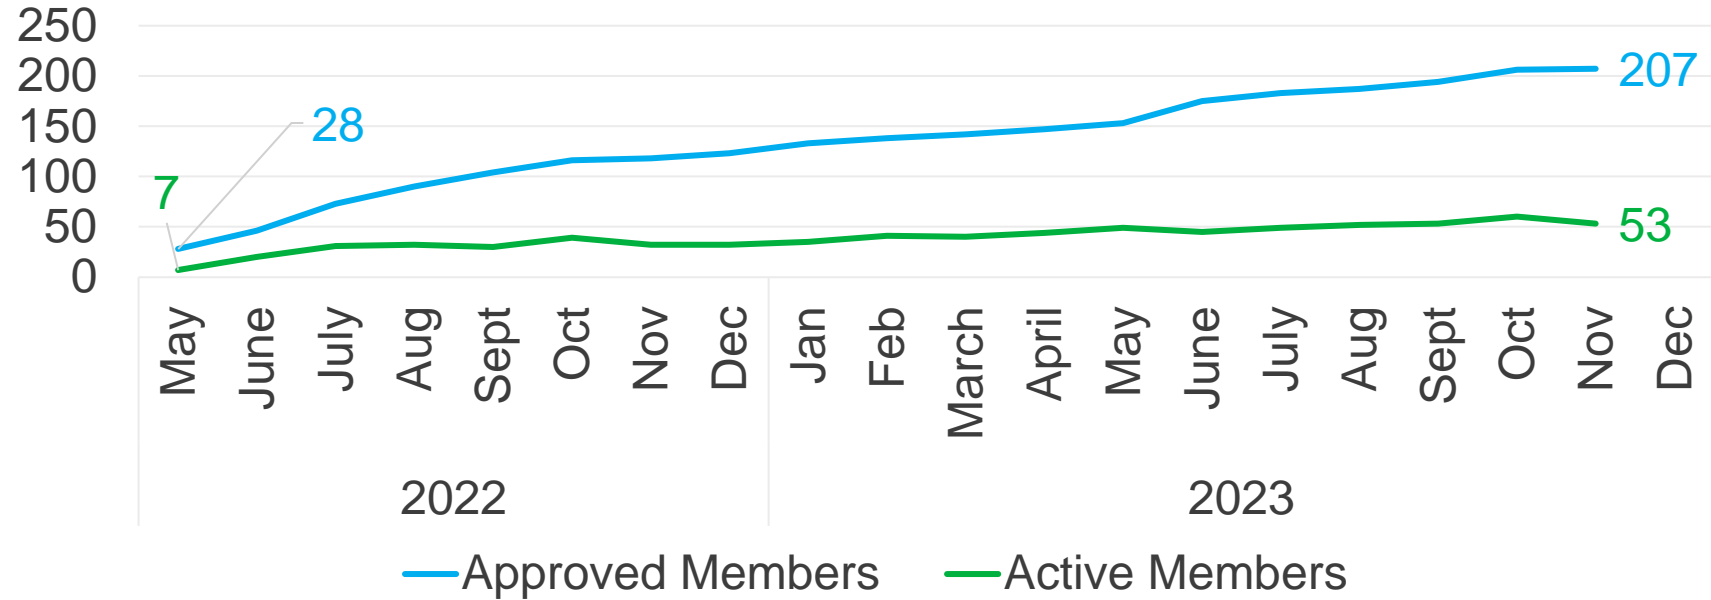

Used EV market is
nascent

**Eversource partnered
with City of Boston,
Nuestra Comunidad and
Good2Go to provide
complete EVSE and
vehicle solutions for
residents of multifamily
development in
Roxbury.**

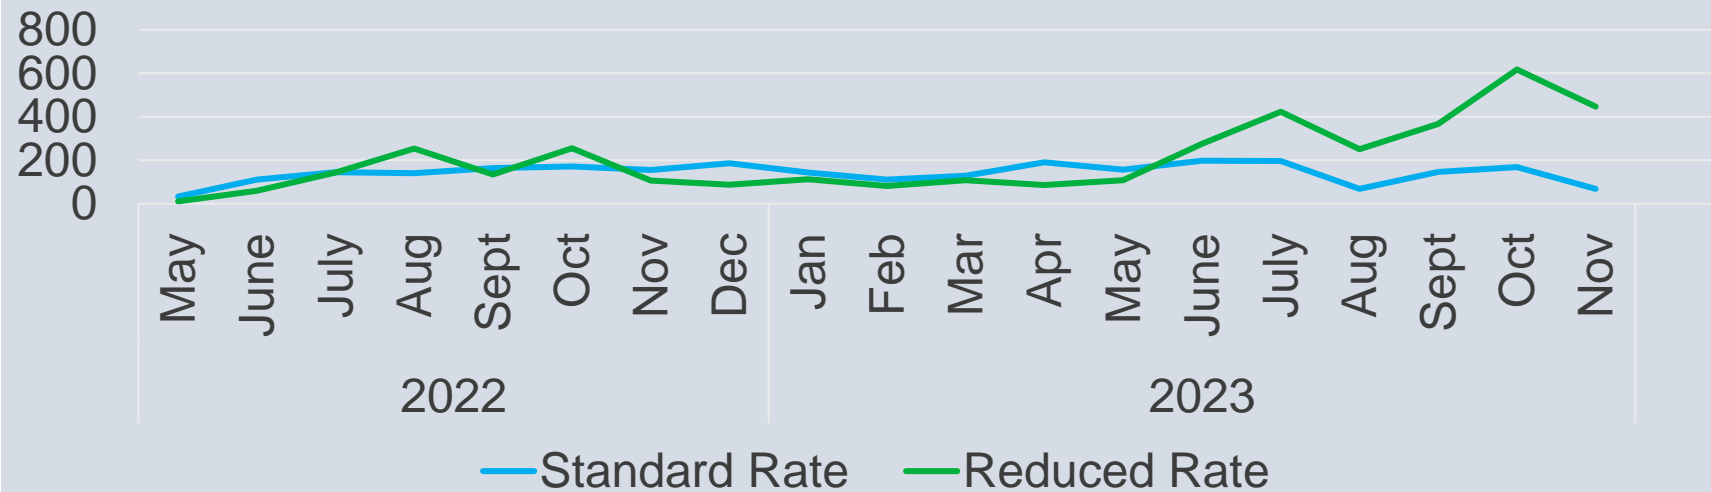

Good2Go Members

Good2Go – Equity-Focused EV Carsharing

Between 2022-2023 Good2Go has signed up over 200 members who have logged over 72,000 miles on the program’s electric vehicles.

Total Hours Driven by Rate

Regarding Mobility & Clean Transportation, to achieve Greater Boston's Carbon & Equity goals, a critical obstacle to collectively overcome in 12 months is **making electric vehicles accessible to LMI customers and finding a way to do this at scale.**
